Bb C A Dm

D Em
Is Christmas still how it used to be
F#m G
Eyes shining bright like the Christmas tree
D A G D
When fairies and reindeer would come out play
F G A
With us snotty nosed kids for a day

D Em
The night before Christmas I spotted an elf
F#m Gm
Dangling its feet from the kitchen shelf
D A G D
And then it was gone in the blink of an eye
F G A
No surprise, 'cause I knew they are shy

D D/C# D/C G
That is all that I want Christmas to be
Bb D G A
A time when we all come together to see
D D/C# D/C G
How the fairies dance in the tree
Bb C D
That's all I want Christmas to be

D Em
I remember when snowflakes tasted so sweet
F#m G
And icicles were our favourite treat
D A
And we laughed when our tongues
G D
Would get stuck to the ice
F G A
Yes it hurt but we still did it twice

D Em
Time wasn't something to be measured with clocks
F#m Gm
We'd only go home once wet to our socks
D A G D
Somehow soup tasted better with rosy-red cheeks
F G A
Those are the memories for keeps

D D/C# D/C G
That is all that I want Christmas to be
Bb D G A
A time when we all come together to see
D D/C# D/C G
How the fairies dance in the tree

D Em
When the music was playing, the family sang
F#m G
Our eyes got bigger as the jingle bells rang
D A G D
We'd rush to the tree, such a magical sight
F G A
And it felt like the world was alright

D Em
Candy and glitter all over the tree
F#m Gm
Small paper angels were waving at me
D A G D
And the living room glowed, almost sparkled with joy
F G A
We saw magic in every toy

D D/C# D/C G
That is all that I want Christmas to be

D D/C# D/C G
That is all that I want Christmas to be
Bb D G A
A bagful of miracles under the tree
D D/C# D/C G
And the fairies smiling at me
Bb C D A
That's all I want Christmas to be
